OUTDOOR SCHOOL INFORMATION
McCormick, Eagles, Bean, Chandler and Born

Deschutes team students will attend Outdoor School May 9-12, 2017 at Camp Magruder in Rockaway, OR. Northwest Regional ESD delivers an incredible outdoor program opportunity for our students. You can visit their website at: <http://www.nwoutdoorschool.org> for more information.

There will be more communication about supplies and packing instructions in the spring as we get closer to the dates.

Students may arrive at school on Tuesday, May 9th at 7:10 AM. Buses will leave promptly at 7:30 AM. Students will need their daypack with bottled water, rain gear, and several pencils. Parents are welcome to stay and send off the buses.

Students will return from camp on Friday, May 12th at approximately 2:30 PM. Our front office will receive a call from the bus when they are one hour away from school. You will receive an email message when that happens. Please make arrangements and be prompt in pick up.

The estimated cost of Outdoor School last year was \$264 per student. Thanks to several grants and fundraising efforts, we were able to estimate the **cost per student at \$125 for this year (2017)**. The cost may change.

You can choose to pay the full amount at once or break it into smaller payments. Thank you for supporting us in providing such an amazing opportunity for our students.

As Outdoor School nears, you will receive additional information and reminders. For questions, contact Michael Dellerba: michael.dellerba@orecity.k12.or.us or 503-785-8200.
