OUTDOOR SCHOOL INFORMATION
ROCK, MACKENZIE, KRAMER, MOYNAHAN, FOZ

May 2-May 5, 2017 your child will attend Outdoor School at Camp Magruder in Rockaway on the Oregon Coast. Northwest Regional ESD delivers an incredible outdoor program. You can visit their website at <http://www.nwoutdoorschool.org/> for additional information.

There will be more communication about supplies and packing instruction in the spring as we get closer to the dates.

Students may arrive at school Tuesday, May 2nd at 7:10 AM. Buses will leave promptly at 7:30 AM. Students will need their daypack with bottled water, rain gear and several pencils. Parents are welcome to stay and send off the buses. Luggage will be loaded into a separate vehicle.

Students will return from camp Friday May 5th at approximately 2:30 PM. Our front office will receive a call from the bus when they are one hour away from school. You will receive an e-mail message when that happens. Please make arrangements and be prompt in pick up.

The cost of Outdoor School is \$264 per student. Thanks to several grants and fundraising, we are able to estimate the cost per student at \$125. We did have a reduction in grant funding this year, so donations are also welcomed in the front office. Depending on the changing costs from the county, that estimated amount could increase slightly. Continued fundraising efforts help us establish the estimated cost. You can choose to pay the full amount all at once or break it into smaller payments. Thank you for supporting us in providing such an amazing opportunity for our students.
